User

Logo

The product is certified with a maximum logo area of 0,1300 m², without sleeves 0,0800m². This approved area must not be exceeded. Logos respectively on the front or back of the product, can only constitute a maximum of 50% of the total approved logo area in order to maintain the EN ISO 20471-certification. Note: The listed area is only a guide to how much space is available for logo placement. In order to maintain the product's hi-vis class according to EN ISO 20471, the instructions on logo size must be observed.

Logo placement:

- Workwear logo. Mid-back. Max 12x12 cm/4.7x4.7 inches
- Workwear logo. Special placement. Contact to discuss further
