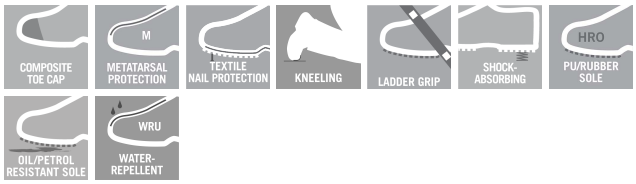
38	39	40	41	42	43	44
45	46	47	48			

Main material/upper material

Full grain leather

Size 42: 747 g



- Metatarsal protection. Upper with extra protection against pressure on the in-step - minimising the risk of impact and breaks.
- Composite toecap. The composite material does not conduct heat or cold, so the composite toecap provides extra comfort in both hot and cold surroundings.
- Shock-absorbing insoles are removable, durable and anti-static.
- Sole of PU/rubber is especially designed for demanding environments and can resist temperatures up to 300° C contact heat.
- The sole is oil and petrol resistant.

Certifications

- Safety Class S3
- Ultra Slip Resistant Sole
- EN ISO 20345
