- Hi-Vis Group Y
- ProWash®

Logo

The product is certified with a maximum logo area of 0,6306m². This approved area must not be exceeded. Logos respectively on the front or back of the product, can only constitute a maximum of 50% of the total approved logo area in order to maintain the EN ISO 20471-certification. Note: The listed area is only a guide to how much space is available for logo placement. In order to maintain the product's hi-vis class according to EN ISO 20471, the instructions on logo size must be observed.

Logo placement:

- Workwear logo. Over left front pocket. Max 11x6 cm/4.3x2.3 inches
- Workwear logo. Over right front pocket. Max 11x6 cm/4.3x2.3 inches

- Light and strong fabric with ripstop. Ripstop is a super durable weave that helps fabric to last for a very long time.
- The product is a combination of regular fabric and stretch fabric, with the stretch fabric placed where extra freedom of movement is required.
- Ergonomically shaped trouser legs are constructed to follow the body's natural movements.
- The kneepad pockets of durable CORDURA® are adjustable so the kneepads have the optimal position on your knees.
- As standard in three different leg lengths, so you can choose the best fit and optimal placement of details just for you.
- The product tolerates industrial washing.

Technical info
