INSULATING

- Great protection with anti-static and flame-retardant properties.
- Wool works with the body and ensures the wearer feels dry and warm all day long.
- High level of comfort due to the soft and flexible material.
- Insulating properties keep you warm.

Technical info

Anti-static and flame retardant. Sewn with flame retardant thread. Insulating. The wool works with the body to ensure the wearer keeps dry and warm. Washing Instructions are printed on the fabric – to avoid irritating labels.
