Industrial care category C2

- Easy and flexible placement on trousers, shorts and 3/4-length trousers via the Click Pocket System.
- If you need extra space: two large pockets and several smaller ones.
- If you are in need of more space, you can add additional holster pockets.
- When the weather changes, you can easily transfer your holster pockets from trousers onto 3/4-lengths or shorts.

Technical info

One holster pocket. Can be attached easily and individually via Click Pocket System. High durability with many pockets. Two large and spacious pockets. Four smaller pockets for tools and four straps. Strap for hanging after removal. Measures 25 x 30 cm. The tools shown in the pictures are not included. The pictures only show examples of how the holster pockets can be used.

Certifications
