Main material/upper material

100% polyester

Size 42: 534 g

- These shoes are completely free of metal.
- The outer material is breathable and easily leads heat and moisture away from the foot for excellent comfort.
- The outer material is made of durable polyester.
- The toe caps are made from carbon fibre, a very light and tough material. The toe caps are exceptionally strong and resistant to both impact and pressure.
- Midsole of XL EXTRALIGHT® EVA and sole of rubber with extreme slip resistance.
- The sole is oil and petrol resistant.
- Stabilisation with MASCOT's patented multi-function shank.
- Also available in women's sizes.

Certifications

- Safety Class S1P
- Electrostatic discharge (ESD) EN IEC 61340-4-3: 2018 + EN 61340-5-1: 2016.
- Ultra Slip Resistant Sole
- EN ISO 20345
