Main material/upper material

100% polyester

Size 42: 513 g

- The BOA® Fit System is made from extremely durable, high-quality materials. BOA® Fit System allows you to dial in to a fast, effortless, precision fit.
- The outer material is breathable and easily leads heat and moisture away from the foot for excellent comfort.
- The outer material is made of durable polyester.
- The toe caps are made from carbon fibre, a very light and tough material. The toe caps are exceptionally strong and resistant to both impact and pressure.
- Midsole of XL EXTRALIGHT® EVA and sole of rubber with extreme slip resistance.
- The sole is oil and petrol resistant.
- Stabilisation with MASCOT's patented multi-function shank.
- Also available in women's sizes.
