Main material/upper material

Full grain leather

Size 42: 690 g

- The BOA® Fit System is made from extremely durable, high-quality materials. BOA® Fit System allows you to dial in to a fast, effortless, precision fit.
- The ergonomic aluminium toe cap provides more protection and gives greater freedom and comfort of movement.
- The flexible nail protection of special textile increases comfort and protects against cold. In addition, the textile midsole is larger and better protects against nails and sharp objects in a wider area compared with a steel midsole.
- Stabilisation with MASCOT’s patented multi-function shank, makes our footwear suitable even when working on uneven surfaces or on ladders.
- Sole of PU/rubber is especially designed for demanding environments and can resist temperatures up to 300° C contact heat.
- The sole is cold and extra slip resistant, so you can stand firm even in cold conditions.
- The sole is oil and petrol resistant.
- The waterproof and breathable membrane in MASCOTEX® keeps feet dry all day long.

Certifications

- Safety Class S3
- Ultra Slip Resistant Sole
- EN ISO 20345
