- Ergonomically designed aluminum toe cap for freedom of movement.
- The flexible nail protection of special textile increases comfort and protects against cold. In addition, the textile midsole is larger and better protects against nails and sharp objects in a wider area compared with a steel midsole.
- Stabilisation with MASCOT’s patented multi-function shank, makes our footwear suitable even when working on uneven surfaces or on ladders.
- Extremely durable PU scuff cap makes the footwear ideal for working on the knees.
- The sole is cold and extra slip resistant, so you can stand firm even in cold conditions.
- The sole is oil and petrol resistant.
- Insulating lining of Thinsulate ™ Insulation ensures the foot stays warm despite the cold conditions.
- The waterproof and breathable membrane in MASCOTEX® keeps feet dry all day long.
