Main material/upper material

100% EVA

Size 42: 799 g

A Antistatic
E Shock-absorbing
PL Textile nail protection (Ø=4.5mm)
CI Cold insulation
FO Oil and fuel resistant sole
SR Slip resistant
WR Waterproof

- Extra slip resistant, self-cleaning outsole with a strong tread pattern ensures that you always have a good footing regardless of the surface.
- Oil, petrol and chemical resistant PU sole makes the boot an obvious choice for work in industry or other demanding environments.
- Nail protection, ergonomically shaped protective toe cap and reinforcements at the instep and ankle provide optimal protection.
- The insulating, washable felt boot liner can be replaced with the included insole.
- Waterproof and cold-insulating down to -30 degrees, so you never have to let the weather stop you.
