MASCOLAYER® MASCOTEX® 3M Thinsulate INSULATION

- Very durable winter safety boot in CORDURA® for those who have to work in cold environments.
- The boot is cold and heat insulating, waterproof and breathable, so you never have to let the weather stop you.
- Slip resistant and heat resistant (up to 300°C contact heat) outsole with ladder grip ensures you have a good footing whether you're standing on a slippery surface or on a ladder.
- The TPU heel cap and TPU scuff cap give you optimal protection and make the shoe very durable.
- Optimum fit thanks to the BOA® Fit System.

Technical info

Opens and fastens with BOA® Fit System, which consists of a rotational dial, lace and guides. Composite toe cap. Midsole made with PU. Rubber outsole with rubber friction inserts. Removable insoles, anti-static and durable. Absorbs and removes moisture. Moulded TPU scuff cap. The sole is oil and petrol resistant. Heat resistant sole up to 300°C contact heat. Ladder grip. Shock absorbing insole. Thinsulate™ insulation. Waterproof membrane made with MASCOTEX®. Water-repellent and breathable outer fabric. Suitable for working on the knees. Heel cap. ESD approved to EN IEC 61340-4-3: 2018, EN 61340-5-1: 2016.
