Main material/upper material

Full grain leather

Size 42: 848 g

E – Shock-absorbing
A – Antistatic
PS – Textile nail protection (Ø–3mm)
WR – Waterproof
FO – Oil and fuel resistant sole
HRO – Heat-resistant outsole compound
HI – Heat insulation
CI – Cold insulation
LG – Ladder grip
SC – Scuff cap abrasion
SR – Slip resistant

MASCOTEX® MASCOLAYER® 3M Thinsulate INSULATION

- Extremely durable safety boots for those who need to perform at their best in extreme environments.
- The boot is cold and heat insulating, waterproof and breathable, so you never have to let the weather stop you.
- Flame-retardant upper protects your feet from flames and sparks.
- Slip resistant and heat resistant (up to 300°C contact heat) outsole with ladder grip ensures you have a good footing whether you're standing on a slippery surface or on a ladder.

Technical info

Lace fastening. Uppers made of flame retardant material. Composite toe cap. MASCOLAYER® textile nail protection. Stabilising multi-functional shank with integrated absorbing cushioning. Midsole made with PU. Rubber outsole with rubber friction inserts. Removable insoles, anti-static and durable. Shock absorbing insole. Absorbs and removes moisture. Sole is oil and petrol resistant. Heat resistant sole up to 300°C contact heat. Ladder grip. Thinsulate™ insulation. Waterproof membrane made with MASCOTEX®. Water-repellent and breathable outer fabric. Suitable for working on the knees. TPU heel reinforcement.
